- Volunteers – We are holding a volunteer luncheon on Friday, June 21 at 4:30p.m. to show our appreciation. There are seventeen volunteers that we will be honoring.
- Facebook – The Facebook is up and running and we have one hundred and ten followers. Board Member Daeges will post upcoming events and information about the Library and information about the Friends of the Library.
- Friends of the Library Annual Meeting is being held Thursday, June 20. They will have a short business meeting and election of officers. Marjorie Sandor a OSU professor will be speaking about fly fishing. We have four of her books here at the library for check-out. Light refreshments will be served.
- Stuffed Animal Sleepover – took place while the Friends were holding their meeting on June 10. Sarah Goracke and Jennifer Daeges posed the stuffed animals doing different activities. Library Coordinator Darling read a book to them and blew goodnight kisses. Pictures were posted on the library's Facebook page. When the kids come on Tuesday, June 11 to pick up their stuffed animal they will also get a pot with marigold seeds in it.
- Summer Reading Program – The programs have all been booked. Two of the programs

are being paid with monies received from the Ready to Read Grant. Also spent \$200 on books from Scholastic Books, they will be used to reward the kids for reading ten books. When they read ten more books, they get a family pass to pool for the day.

- Programming for Fall – Sarah and Jennifer will be doing some crafts at library starting in the fall. The day and time has yet to be determined. It was decided to hold the craft activity at the library rather than at the Community Center. It would be nice to have a Young Adult book club if could find a person to lead and kid's that would be interested in joining. Freda has also bought a Lego set we just need to get some bases and wheels for the Legos. Jennifer says can get bases from Amazon for a really good price. There is a program kids can use on computer that is free – ABCmouse.com.
