Every Junction City resident has a stake in the City's appearance. Keeping Junction City clean and safe is up to all of us. Demonstrate pride in your community with a little yard clean up. Here are a few things that you can do to make your piece of Junction City safer for your neighbors:

- Trim back any shrubs or trees that block STOP signs or street signs.
- Trim anything overhanging the sidewalk allowing pedestrians to use it without needing to dodge items or duck below branches.
- Trim anything overhanging the street high enough to allow even buses and motorhomes to pass under.
- If you live on a corner correct any vision clearance issues by having no plant or shrub taller than 3.5 feet within 30 feet of the corner.
- Clear your property's adjacent alley of any high grass, weeds, or blackberries.

Thank you for making Junction City a place to be proud of.

*We will be accepting unbagged yard debris materials. This includes: trimmings, pruning's, limbs, bushes, plants, and grass clippings.

**We will not accept: furniture, metal, dirt, roofing materials, construction debris, or rocks.

THIS IS A FREE SERVICE.
