(Chicago) - - The Award for Small Government Cash Basis Reports has been awarded to the **City of Junction City** by Government Finance Officers Association of the United States and Canada (GFOA) for its Annual Financial Report. The Award for Small Government Cash Basis Reports is the highest form of recognition in the area of governmental accounting and financial reporting on the modified or regulatory cash basis, and its attainment represents a significant accomplishment by a government and its management. Additionally, the **City of Junction City** is a pioneer for the Award as one of its first winners.

The Annual Financial Report has been judged by an impartial panel to meet the high standards of the program, including demonstrating a constructive “spirit of full disclosure” to clearly communicate its financial story and motivate potential users and user groups to read the report.

Government Finance Officers Association is a major professional association servicing the needs of over 20,000 appointed and elected local, state, and provincial-level government officials and other finance practitioners. It provides top quality publications, training programs, services, and products designed to enhance the skills and performance of those responsible for government finance policy and management. The association is headquartered in Chicago, Illinois, with offices in Washington, D.C.
