# How do we get there from here?

Junction City is planning improvements to the transportation system for the next 20 years.

## You are invited to attend an Open House to discuss:

- In what areas can we enhance safety for motor vehicles, bikes and pedestrians?
- How should we improve our roads?
- What public transit service do we need?
- Where can new sidewalks provide safe access to schools, shopping and services?
- How can we better accommodate bicyclists?
- What role should trains play in our transportation system?
